Practical Life Homework
Orange/Lemon Squeezing

This activity should be performed with the full supervision of an adult.

Instructions:

1. Place a bowl, lemon/orange squeezer and two halves of a lemon/orange on the tray.
2. Carefully carry the tray to a table.
3. Place the orange/lemon inside the squeezer.
4. With the bowl underneath the squeezer, squeeze the two levers together.
5. Do the same with the second half of the orange/lemon.
6. Discard your juiced fruit.
7. Place your bowl to the side and carry your tray and squeezer to the kitchen to be cleaned and put back where they belong.
8. Pour your orange juice in a cup and enjoy it, or use your lemon juice to make lemonade!

If you would like to send in a 3x5 hard copy photo of your child performing this task, we will be happy to post it on our Community at Work bulletin board. Seeing themselves on the board gives our students a greater sense of pride and encourages independence.
