

Name: _____

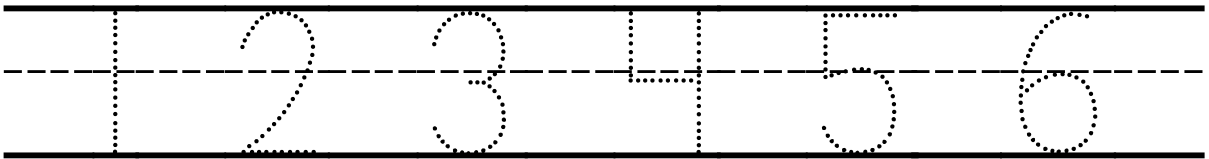

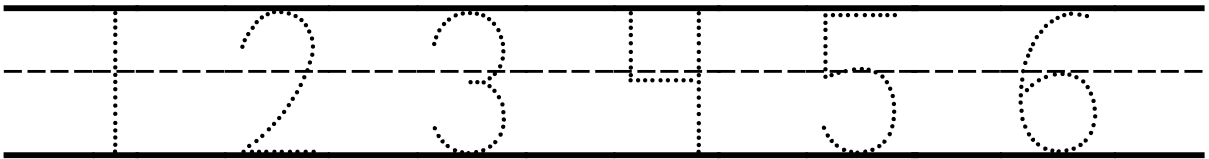

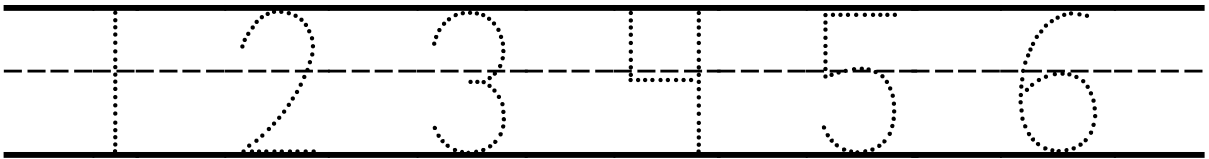

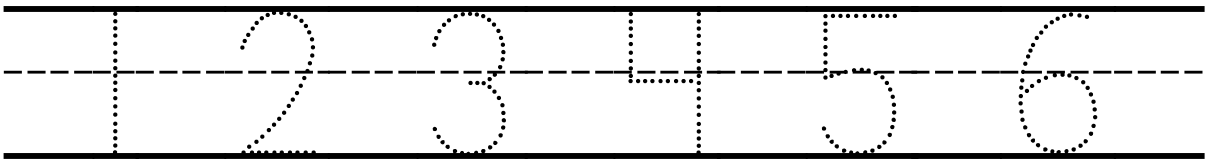

Week of 29 April 2024

Math Homework

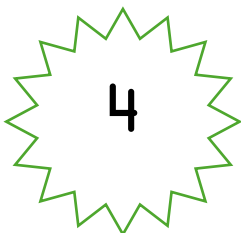

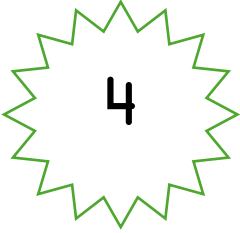

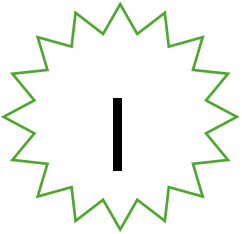

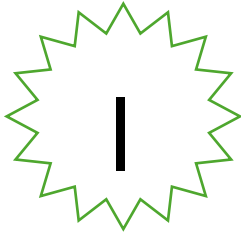

Review Numbers 1-6

Instructions:

1. Using a **yellow** crayon or a colored pencil, **trace** the numbers on the lines below.

2. **Cut** and **assemble** the die on the last page.
3. **Roll** the die and **count** the dots to reveal the number you rolled.
4. **Color** the flowers with the same number that you rolled.
5. **Follow** steps 3 and 4 until you have colored all the flowers on the grid below.
