

**Practical Life Homework**  
Care of Environment: Mirror Cleaning

**Materials:**

- Tray
- Small mat or paper towel
- Hand mirror
- Window cleaner decanted into a small bottle
- Cotton balls in a bowl
- Felt cloth

**Instructions:**

1. Gather and place all of your materials on the mat inside the tray and carefully carry your tray to a table.
2. Place a small amount of window cleaner on a cotton ball.
3. Clean the mirror, moving the cotton ball in a circular motion.
4. Continue with a second cotton ball if needed.
5. Polish the mirror with the felt cloth, moving it in a circular motion.
6. Stop when the mirror has no more streaks.
7. Look in your clean mirror and admire your beautiful smile:)

If you would like to send in a 3x5 hard copy photo of your child performing this task, we will be happy to post it on our Community at Work bulletin board. Seeing themselves on the board gives our students a greater sense of pride and encourages independence.
